Over the past year, the Neptune Township Police Department continued to grow and exemplify our mission of crime reduction in the community. We have maintained the stringent qualifications required by our Accredited Status, and have continually reviewed and updated policies and procedures in accordance with best law enforcement practices. Interaction between the police department and the community has been bolstered by our Community Outreach Initiative, as well as the attendance of Liaison Officers at community group meetings. Calls for service over the past year were at an all-time high, boosted by the success of our continued community outreach efforts which encourage members of the public to contact us with any and all concerns.

Over the past year, our police officers have continued to receive high quality training development and education from dozens of nationally-recognized institutions ensuring each officer is well-equipped to handle a variety of situations. We’ve continued to collaborate with schools and businesses by conducting joint training sessions to enhance our capabilities and response to emergencies and improve security. Our crime rate has continued to decrease from the previous year, which can be credited in part to proactive policing methods, expanded personnel and community outreach efforts. We also have had numerous police officers receive commendations from the department as well as from other agencies and peer groups. We are proud of the accomplishments of our officers and their commitment to this community.

I would like to thank the community for maintaining their confidence in us to protect and serve Neptune Township. My Command Staff and I look forward to the coming year and the continued growth of our department.

-Chief of Police James M. Hunt, Jr.

- SLEO I Officers are utilized for parking enforcement, traffic details, and jail operations as well as special events.

Jail Operations

- Neptune Township operates and staffs an 18 cell jail, which provides service to Neptune Township as well as Neptune City, Avon-by-the-Sea, Monmouth County Sheriffs and other agencies as necessary.

- SLEO I and II Officers hired as jailors are tasked with jail operations, prisoner searches, property inventories and other duties.

School Resource Officers

In addition to frequent walk-throughs by patrol officers, Neptune High School and Neptune Middle School are staffed with School Resource Officers.

Our School Resource Officers are retired law enforcement professionals who provide an armed police presence at the schools and are tasked with handling calls for service within the schools. They also work to foster positive contact between the students, the police department, and the faculty.

The School Resource Officers maintain direct radio contact between the schools and the police department to ensure any urgent situations are dealt with in a timely manner. They also receive countless hours of training in Active Shooter situations, help to address security concerns and potential threats, and monitor drills to ensure students, faculty, and staff are well-prepared for any danger.

The NTPD always encourages residents to contact us with any concerns regarding school safety. If you see something, say something!

The Neptune Township Police Department was awarded accreditation by the New Jersey State Association of Chiefs of Police in 2016. Accreditation is valid for a three-year term, at which time the agency must be reaccredited by the New Jersey State Association of Chiefs of Police. The Neptune Township Police Department was evaluated for re-accreditation in January of 2019.

The policies and procedures involved with the Accreditation process are being continually updated to ensure the department is always in compliance with nationally recognized best practice standards in each of the five functions: Administrative, Operations, Investigative, Arrestee/Detainee, and Personnel.

The Neptune Township Police Department has continued to ensure compliance with each of the 105 required best practice standards, and is preparing for re-accreditation with proofs of compliance. - Several of the NTPD’s mobile speed signs have been outfitted with solar panels, reducing the need to purchase batteries which is cost-effective and environmentally friendly.

Internal Affairs Executive Summary: 2018

The Neptune Township Police Department Internal Affairs Unit accepts, reviews, and responds to all complaints against police officers received from the public or from superior officers within the organization. Citizen complaints may be made in person, by telephone, fax, internet, or through the mail. These include anonymous complaints, complaints from third party witnesses, juveniles and complaints from parties not directly involved in the incident from which an allegation arises. All allegations are carried to their logical conclusion by experienced and trained investigators.

In any given year officers of the Neptune Township Police Department are involved in tens of thousands of citizen contacts. Many are routine and many involve critical situations. The Internal Affairs Unit is tasked with handling complaints from the public regarding officer conduct, as well as rare allegations of criminal conduct by department members.

The investigative process assesses the propriety of all on or off duty conduct during the incident in which the alleged misconduct occurred. If during the course of an investigation there is an indication that misconduct occurred other than that alleged, the investigator examines the additional potential misconduct to its logical conclusion.
All complaints are categorized based on the alleged offense. Upon the completion of the investigation, the investigator will reach a conclusion based upon the facts developed in their investigation which will fall into one of the following five dispositions:

- **Exonerated**: The alleged incident did occur, but the actions of the officer were justified, legal and proper.
- **Sustained**: The investigation disclosed sufficient evidence to prove the allegation, and the actions of the officer violated a provision of the agency’s rules and regulations or procedures.
- **Not Sustained**: The investigation failed to disclose sufficient evidence to clearly prove or disprove the allegation.
- **Unfounded**: The alleged incident did not occur.
- **Administratively Closed**: The complainant voluntarily requests the complaint be withdrawn or the subject officer terminates his or her employment prior to disposition of the complaint.

The following penalties may be assessed against any member or employee of the Neptune Township Police Department as a result of disciplinary action:

- Oral Reprimand
- Written Reprimand
- Suspension
- Demotion
- Dismissal

In 2018, one officer was suspended in excess of 10 days for violations of Rules and Regulations.

Grant Supported Programs: Pedestrian Decoy

- We participated in the Pedestrian Decoy initiative, designed to increase pedestrian safety and motorist awareness of crosswalk laws through education and targeted enforcement.

- During this program, an officer will utilize a crosswalk to ensure vehicles obey regulations. Vehicles in violation will be stopped by assigned officers in the area, given an instructional handout regarding crosswalk laws and/or a summons.
Grant Supported Programs: Cops in Shops

- Cops in Shops is a program in which officers work undercover to observe minors attempting to purchase alcohol, adults purchasing alcohol for minors, and establishments not properly checking identification.

- In 2018, there were 10 licensed liquor retailers located within Neptune Township which were evaluated in accordance with this program.

- The program was supported by a $4,400 grant and operated during the summer of 2018.
BJA Edward Byrne Memorial Justice Assistance Grant Program (JAG)

- Named in honor of fallen NYPD Officer Edward Byrne, this grant program is a leading source of federal funding to state and local police departments.
- The program grants funding to agencies to support a broad range of crime prevention and control activities.
- In 2018, the Neptune Township Police Department received $19,343 from this grant, which was subsequently used to purchase a new Automatic License Plate Reader (ALPR) system.
Body Armor Replacement Grants

- The Neptune Township Police Department purchased **14 new vests** during 2018 at **zero cost** for the Township, made possible by the Federal Bulletproof Vest Partnership and the State Body Armor Replacement Fund. With a combined $11,508 in grant funding, we were able to provide new officers with proper protection as well as replace expiring body armor at no cost.

- The Bulletproof Vest Partnership is a U.S. Department of Justice initiative that has purchased over 1 million vests for local and state law enforcement agencies.

- The Body Armor Replacement Fund is a similar program which provides funding for body armor to NJ law enforcement agencies.
Records Bureau

- In 2018, the Neptune Township Police Department received 37,773 calls for service. Most of these calls require the completion of a police report and, in 2017, the Records Bureau processed 2,448 Report Requests, and provided discovery on 237 cases.

- The Neptune Township Police Department Records Bureau plays a very important role in the area of law enforcement. Prompt and accurate processing and dissemination of the police reports and associated paperwork is an integral part of the judicial process. The Records Bureau is staffed by two Records Clerks and two Terminal Agency Coordinators who report to a Captain.
Commendations and Awards

The following officers received special recognition from the Chief of Police during the year 2018 for actions that went above and beyond the call of duty.

- P.O. Christopher Monahan, who initiated a proactive motor vehicle stop leading to the removal of two occupants from the vehicle due to the odor of raw marijuana. During a search of the vehicle two handguns were located, one being a loaded .357 caliber handgun which had been reported stolen from Pennsylvania.

- P.O. Bryan Taylor, who observed a known gang member exhibiting suspicious behavior before entering a taxi. He conducted a proactive motor vehicle stop and subsequently observed the odor of marijuana emanating from the vehicle. The subject was removed and searched, and marijuana was found on his person. During a search of the vehicle, a loaded .25 caliber handgun was located underneath the seat where the gang member had been sitting.
Sgt. Robert Baldwin, Det. Eric Chunn, and Det. Kaan Williams for their actions following an observed crime in progress. Sgt. Baldwin was off-duty walking through a parking lot to his personal vehicle when he observed two subjects attempting to quickly exit another vehicle he knew to belong to someone else. Sgt. Baldwin identified himself as a police officer and confronted the subject to determine his purpose for being inside the vehicle. The subject attempted to walk away, at which time a physical struggle ensued with the subject breaking away and entering a nearby vehicle driven by the second subject. The vehicle had a towel over the license plate obscuring the numbers, but Sgt. Baldwin gave chase on foot and was able to pull the towel off and obtain partial license plate characters. Upon making contact with NTPD HQ and describing the situation, Det. Chunn and Det. Williams checked local hotels and businesses for the vehicle and located it unoccupied at the Walmart. Shortly after, both subjects were arrested as they returned to the vehicle and charged related to the attempted burglary.
